## ABOUT US

Federation of Karnataka Chambers of Commerce and Industry (FKCCI) is one of the oldest Chambers in the country established in the year 1916 by Bharat Ratna Sir. M. Visvesvaraya, the engineer statesmen. It has just completed one hundred years of its successful existence and has entered its second year journey in the next century of its service to Trade, Industry & Commerce.

The prime objective of this Conference come awards event is to acknowledge, motivate and incentivize corporate members for contribution towards social and environmental goals and look at the CSR mandate as an opportunity to move towards strategic philanthropy, rather than an onerous compliance, with support from civil society and the Government to make a difference to the lives of people in the State.
